

ClayWorks Studio Membership Assessment Form

The Guild requires all Studio Member applicants to complete this assessment form.

ClayWorks Studio must be a secure and safe environment for all that use it. The Guild needs to gauge your knowledge of how a clay studio operates, how tools and materials are used and procedures followed, prior to considering your acceptance as a studio member. If you are a current student, it is advised that you consult with your instructor to determine readiness to advance alone in the studio. Instructors may suggest additional classes and/or training before recommending you as a Studio Member. This process will protect you and ClayWorks Studio users as well as ensure the proper habits in the studio facility.
